WHCA Announces Scholarship Recipients

MADISON – The Wisconsin Health Care Association today announced recipients of its George F. MacKenzie scholarships, awarded annually to employees of WHCA facilities who are also enrolled in Registered or Licensed Practical Nurse degree programs.

“These scholarship recipients are the future of our profession,” said WHCA Executive Director Tom Moore. “We applaud their dedication and are honored to assist them in furthering their education. It will benefit not only them, but also the long term care community and the thousands of residents we care for every day across the state.”

Following are the 2008 George F. MacKenzie Scholarship recipients, each worth \$500:

- Sarah Marie Bjork – Chippewa Manor Nursing Home of Chippewa Falls;
- Amber L. Miller – Northpoint Medical and Rehabilitation of Oshkosh;
- Lori Elizabeth Miller – Mulder Health Care Facility of West Salem.
- Javonna Ann Neal – Clement Manor of Greenfield; and
- Melanie Jean Ross – Pine View Care Center of Black River Falls.

WHCA’s scholarship is named for the late George F. MacKenzie, a former WHCA Executive Director and WHCA president and former Administrator of the Wisconsin Division of Health, in honor of his nearly 50 years of dedication to Wisconsin’s long term care community.
